Cycles of Faith –The Baptism of the Lord

"After all the people had been baptized and Jesus also had been baptized and was praying, heaven was opened." What a treat to be in that crowd! Just imagine the experience of witnessing this manifestation of divinity! To SEE the Holy Spirit "in bodily form like a dove" and to hear the voice that "came from heaven" announcing Jesus' true identity. Don't we all long for this kind of miraculous clarity? Wouldn't it do wonders for our faith if we had such unmistakable certainty about who Jesus really is?

It's easy to imagine that the first Christians had it easier than we do. They got to be with Jesus in person, and to witness the miracles that went along with his years on earth. Because of this, we can quickly forget the benefits we enjoy that they did not. We live on the other side of the Resurrection, for example. The first followers of Christ believed in him BEFORE he rose from the dead. We, on the other hand, have the confidence of knowing that this man literally conquered death. We also have two millennia of Christian witness through the saints to pull upon. The first Christians had no idea what this new religion would produce, how many people would embrace it, or how it would change the world for the better. We know that Christianity has been fruitful beyond measure.

Today's Gospel informs us that it was only after they were baptized that the people witnessed the opening of heaven. Even Jesus himself was baptized before he heard this earthly confirmation of his heavenly origin. We who have been baptized, following the example of Christ, also have "access" to the voice of God. In the silence of our hearts, and through God's word in the Bible (another advantage we enjoy), heaven is "opened" for us as well.

Special Collection for Natural Disasters in the USA: The United States Conference of Catholic Bishops has requested that Dioceses take up a special collection to support the work of Catholic Charities, USA in its efforts to assist the victims of the recent and future natural disasters in the United States. Our Diocese will take up this collection next weekend, January 16 and 17 at all Masses. The funds collected in this one-time special appeal for 2015-2016 storms and other natural disasters will be used to support the efforts of Catholic Charities USA, as they and their member agencies respond to immediate emergency needs for such necessities as water, food, shelter, and medical care, as well as to the long term need to rebuild and recover after widespread destruction and to the US Conference of Catholic Bishops for pastoral and reconstruction needs of the Church. Please be generous.

Thank You From The Driver Family: "To our fellow St. Jude parishioners. We would like to say a very big thank you to all who helped with our house warming gift. It is a very generous thing that you did and we are very grateful. For those who couldn't contribute monetarily we thank you as well for your friendship and prayers. We are so blessed to be part of the St. Jude family which is led by such a great Pastor. We very much look forward to seeing all of you each week. Thank you again for your gift.

Welcome to Henry Moreno: Henry Moreno became Saint Jude's Plant Supervisor on January 1, 2016 and will soon be moving into the rectory apartment. Henry comes to us with twenty years of experience in physical plant operations and projects management, most recently at Wake Robin. As with Gary Payea and Andrew Driver, his work here will be in addition to his professional employment. Many parishioners will already know him through his community involvement in Hinesburg Community School theater production and as assistant JV softball coach at CVU, coaching the Babe Ruth Softball League, serving on the Hinesburg Recreation Commission and as Cub Master of Pack 691, and fundraising for the Alzheimer's Association.
